14 MAR 1983

MEMORANDUM FOR: Director, National Photographic Interpretation Center

SUBJECT: Request for CAMS Lines, FY83 [redacted]

REFERENCE: Your Memorandum; Same Subject; Dated 10 January 1983

1. Your request for three additional CAMS1 terminals and associated low-speed printers to be located within [redacted] has been approved. The terminals are to be located in:

[redacted]

2. Your request has been forwarded to the Office of Data Processing (ODP/CIA) for implementation. They will coordinate your requirement with elements of the Offices of Communications and Security. Implementation can be expected in about 90 days from this date. Every effort will be made to expedite the installation of the requirement for IEG/ORD/RIF. [redacted]

3. The current price for a Delta Data 7260T terminal is approximately \$7,500 and the Data Royal low-speed printer is approximately \$3,100. Additional costs, such as conduit lines, etc., will be determined after a site survey has been completed. [redacted]

4. [redacted] will be the action officer for this request. If you have any questions on this matter, please call her on black [redacted]
